

2017 Annual Report

Mission Statement

The Aylmer Police Service shall continually strive to protect life and property. We shall dedicate ourselves to providing a courteous and quality service that will be responsive to the needs of the community. The Aylmer Police Service is committed to professionalism and the service provided will be synonymous with excellence.

Message from the Chief

**To the Aylmer Police Services Board
and the citizens of Aylmer**

On behalf of the men and women of the Aylmer Police Service, I am pleased to present the Aylmer Police Service's annual report to the citizens, elected council and Police Service Board Members. The 2017 report showcases our achievements which we were able to attain because of our continued commitment to strong partnerships, community engagement and employee health and wellness.

We are into our second year of our Business Planning Cycle and our focus included enhanced maintenance of the adequacy standards in the areas of crime prevention, law enforcement, assistance to victims of crime, public order and emergency response. The reflection of our success was evident in the recent community survey with an 85% satisfaction rate. In 2017 we also concluded the OPP costing proposal with a Council's decision to maintain the high level of service offered by Aylmer Police Service.

Community visibility by way of vehicle, foot and bicycle patrol enhanced our service delivery and community safety resulting in relatively low crime rates. Violent crime was reduced by 40% in comparison to 2016 while property crime was reduced by 22%. Motor vehicle collisions increased by 6% and traffic safety will be our focus in 2018.

We are cognizant of our diverse community and our service delivery is reflective of that. In 2017, we have participated in regular patrols and officer engagement at East Elgin High School and delivery of "Values Influences and Peers" program to the elementary schools.

Aylmer Police Service has a proud and renowned history of providing the highest quality of police service delivery to the Aylmer residents and those visiting. Continuous evaluation of our service delivery coupled with the highest professionalism and integrity of our members will ensure that we exceed the expectations of the community and provide the most effective and cost efficient police service delivery.

Aylmer Police Services Board

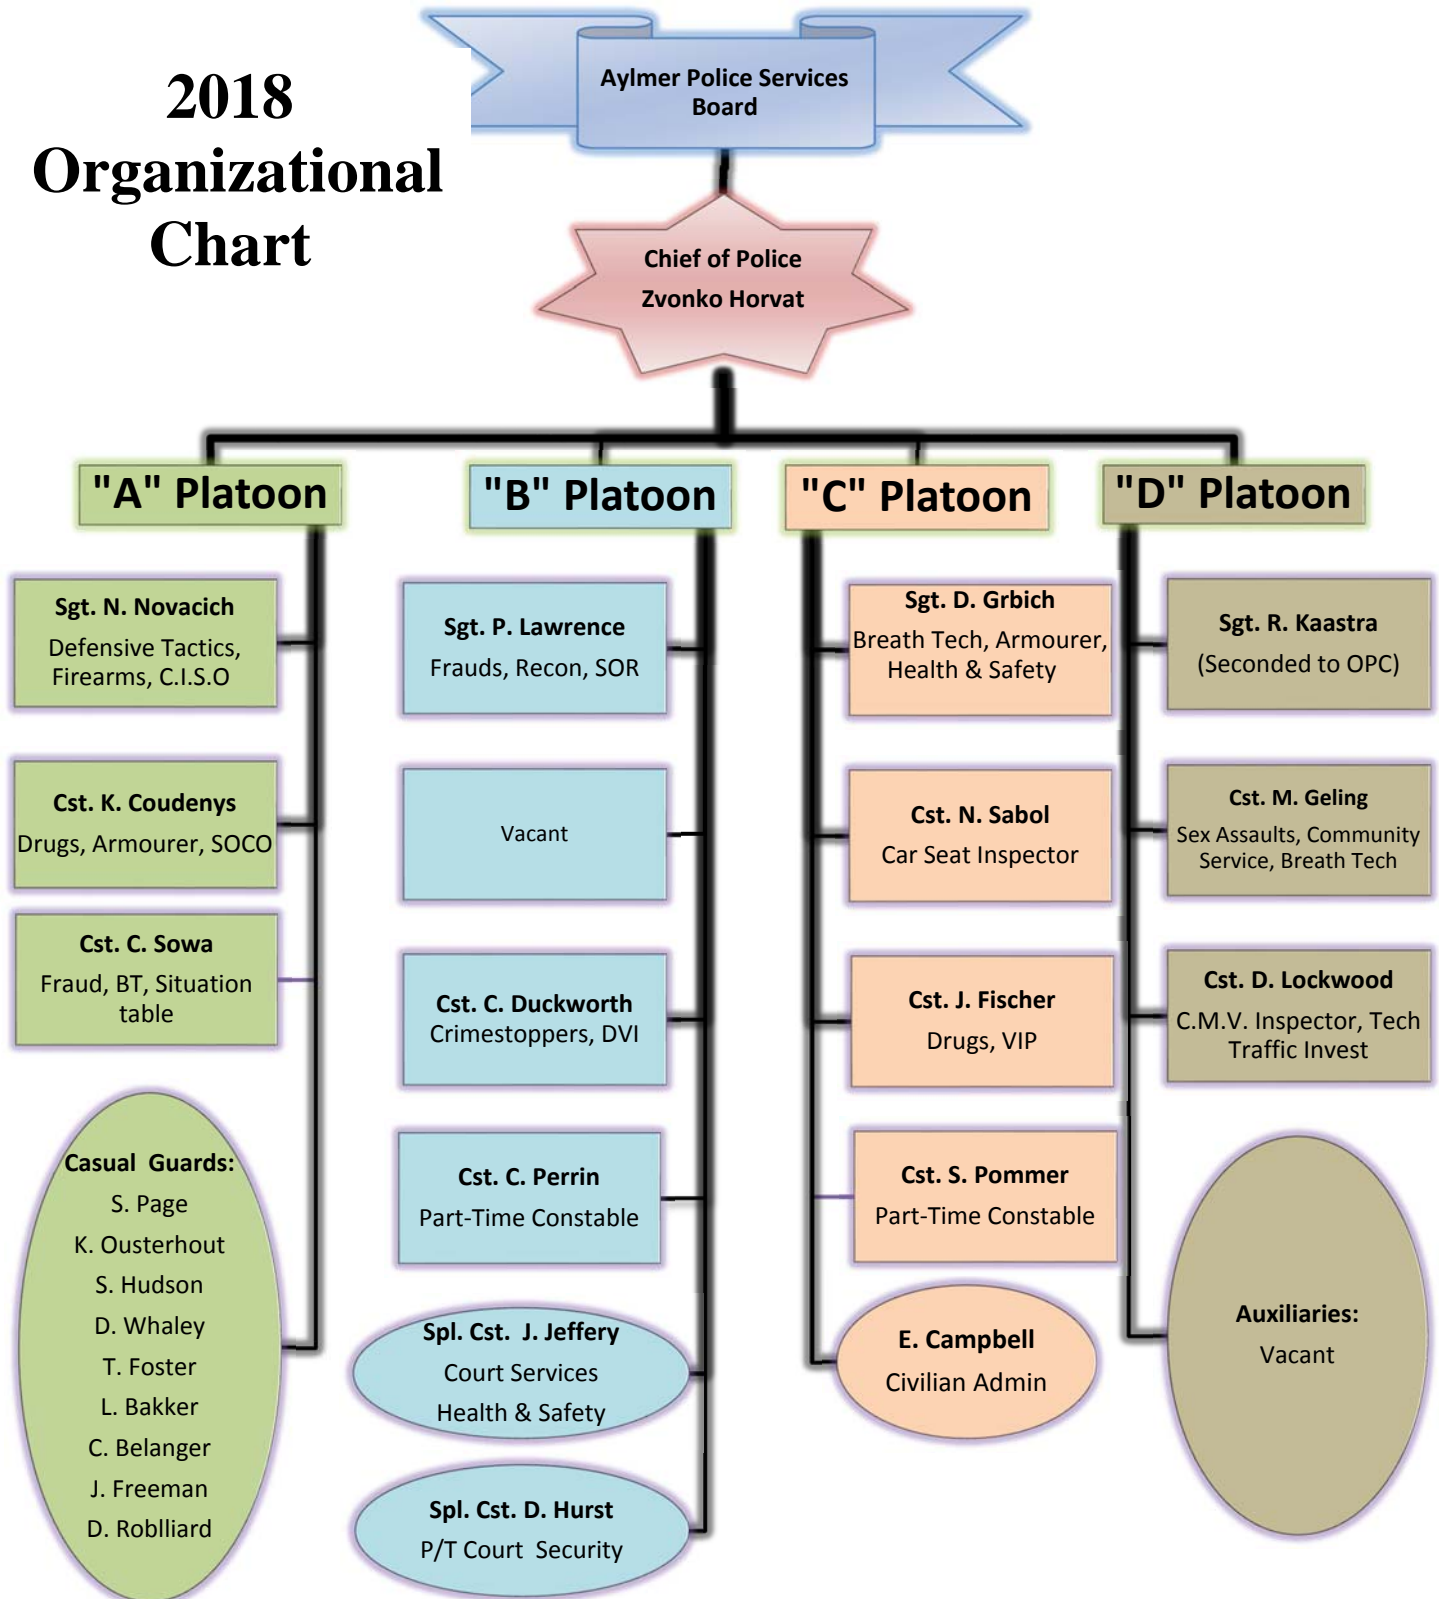

The Aylmer Police Services Board is comprised of five members and a secretary. In 2017 the PSB consisted of Vice-Chair Bill Ungar (community appointee) , Secretary Bobbi Irwin, Chair Sheri Andrews (council member), Greg Currie (Mayor), and Andy Anderson (provincial appointee). A second provincial appointee position remains vacant.

The Aylmer Police Services Board is a member of:

Municipal Freedom of Information and Protection of Privacy Act (MFIPA)

The *Municipal Freedom of Information and Protection of Privacy Act* provides citizens with a right of access to records within the custody or control of all municipal public sector organizations, including Police Services. Access to these records is not absolute. There are certain mandatory and discretionary exemptions, which are applied. Details about the operation of the *Act* and interpretations of the 10 exemption provisions can be found at the website of the Office of the Information and Privacy Commissioner (the IPC) www.ipc.on.ca. Civilian Administrator Erica Campbell is designated as the primary FOIA officer.

The Aylmer Police processed eight requests in 2017. **Three** were requested by the Office of The Children's Lawyer, **four** based on general inquiries, and **one** request was received from Criminal Injuries Compensation Board. All requests were completed and disclosure provided based on the FIPA guidelines.

Auxiliary Constable Program

The Aylmer Police continues to incorporate the Auxiliary Unit to complement its staffing numbers. In 2017, Auxiliary members completed a total of **150 hours**. The (3) members of the auxiliary unit have all resigned in 2017. Aux/Cst Lebel retired from the unit, Aux/Cst Klassen accepted a Police Constable position with St. Thomas Police Service, and Aux/Cst Krahn resigned to continue his career with the Ministry of Transportation as an Enforcement Officer. 2018 will see the recruitment of (3) new officers to fill the vacancies. Auxiliary duties included assisting in general patrol, night football games, parade duties, maintaining security at crime scenes, guarding prisoners, providing guided station tours, and assisting with Police booths at public events.

This past year, Aylmer Auxiliary members once again completed training alongside the Auxiliary Unit of the Elgin OPP. Sergeant Nick Novacich continues to oversee the unit.

The Aylmer Police continues to be a member of the Provincial Auxiliary Coordinators Committee standardizing with the rest of the Province. The Auxiliary unit continues to be an invaluable resource for the Aylmer Police.

SUMMARY

Proactive community involvement is a core foundation to public safety. Utilizing our trained staff and volunteers we continue to provide parades, lectures, charity events, and participate in local initiatives. These events are not limited to those noted on this page and shown elsewhere in this report.

St. Thomas Crime Stoppers, working in conjunction with the Aylmer Police, is one of 38 programs in Ontario. This program is proud to represent this community in the fight against crime. This not-for profit organization gives each and every citizen the right to provide information regarding criminal activity anonymously, without fear of retribution. Crime Stoppers guarantees that a tipster will never have to reveal their identity or testify in court. Crime Stoppers has been recognized by the Ontario Chiefs of Police, the Canadian Chiefs of Police, the International Chiefs of Police and Interpol as being one the most successful community programs in gathering information that assists in solving crime.

Fundraising events in 2017 included the Annual Golf Tournament in May, in Union raising over **\$5,000**. The community came together again at in September during this Bail & Jail, where our “jail birds” worked with the community to get released. These efforts also raised over **\$5,000**.

To date, since inception, our local Crime Stoppers has accomplished the following;

- \$177,480 in total rewards paid
- 929 arrests
- 1145 cases closed
- \$8,607,628 in recovered property
- \$7,544,538 in recovered narcotics

Community Response to Mental Health

Police continue to be the first responders in a mental health crisis. They can be among the most unpredictable and dangerous situations to which officers must respond, and can be equally, if not more, dangerous for the person with the disorder. While the majority of such interactions are handled without harm to the officer or the person with a disorder, these interactions can be quite time-consuming, often utilizing a large portion of resources not only from police services, but from the health and social sectors as well. Our staff completed the Road to Mental Readiness program to assist themselves and their peers in recognizing and gauging their own mental health changes.

The Aylmer Police continue to utilize the Elgin CMHA Mobile Crisis Intervention Teams as responders to low risk individuals experiencing a mental health crisis. These teams can take over or assist police to calm the situation, considering the safety of the individual and bystanders. Reach Out became a single source 1-800 number available to anyone seeking a connection to services near them.

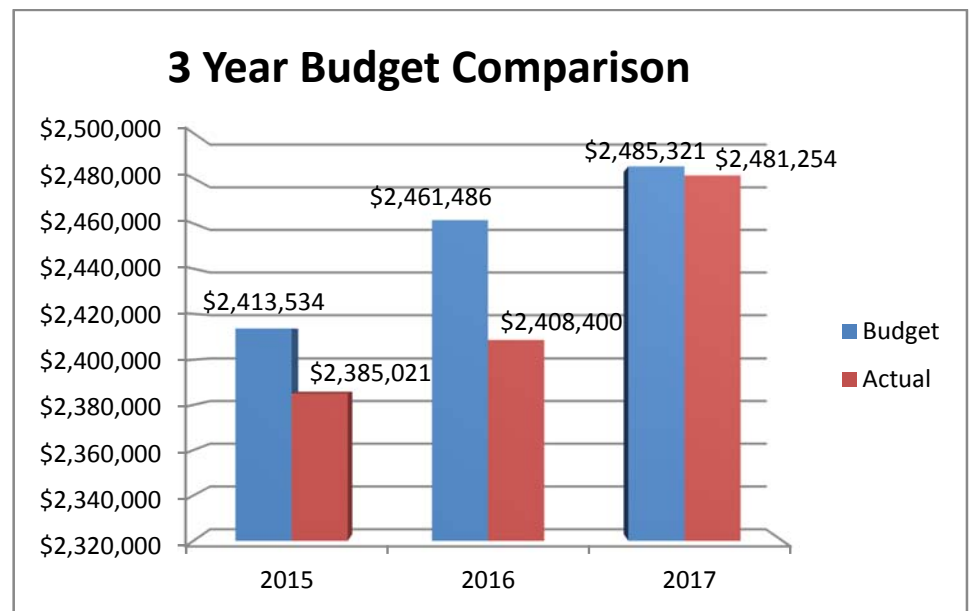

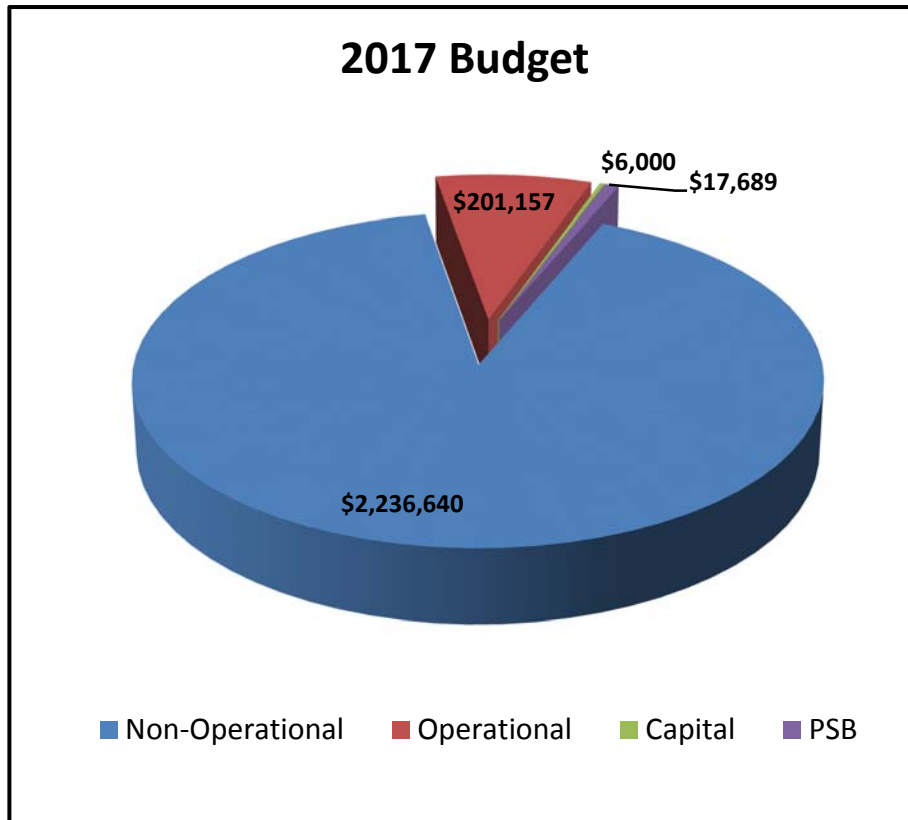

In 2017 the Aylmer Police attended 41 Situation table meeting and presented two cases that met the criteria of acutely elevated risk factors.

2016 to 2018 Business Plan Report

2017 year is the midpoint of our 3 year business cycle. The chart below is a snap shot of our activities throughout the year and a comparison of our workload based on the 3 year evaluation. Our Business plan and previous reports may be accessed on our website www.aylmerpolice.com. Fundamentally the Aylmer Police sought to increase community involvement and proactive policing while maintaining enforcement levels in an effort to reduce crime.

The Business Plan continues to be the goals the Aylmer Police strive to attain. The spirit of the goals and objectives are continually re-evaluated to comply with our fluid policing environment. Public confidence and accountability are paramount to the Aylmer Police and its members.

Calls for Service

Aylmer Police provide police coverage and dispatch services 24 hours a day. The station is open to public Monday to Friday 8:00am to 4:00pm. The dispatch service is contracted to the Owen Sound Police www.owensoundpolice.com utilizing internet radio communications. Both agencies use the same data software, and as such, all Aylmer Police calls for service are integrated into the same provincial database. Computer Aided Dispatch (CAD) and Records Management System (RMS) are the two databases used. CAD calls are generated when the public call police for assistance. RMS calls are self-generated after the fact and often include traffic enforcement and community service. Peak times for service are seen in the graphs below and consistently occur in the middle and the end of the week. This data only reflects the number of calls, not the types. This also tends to represent when the calls are *received* as opposed when the incident *occurred*.

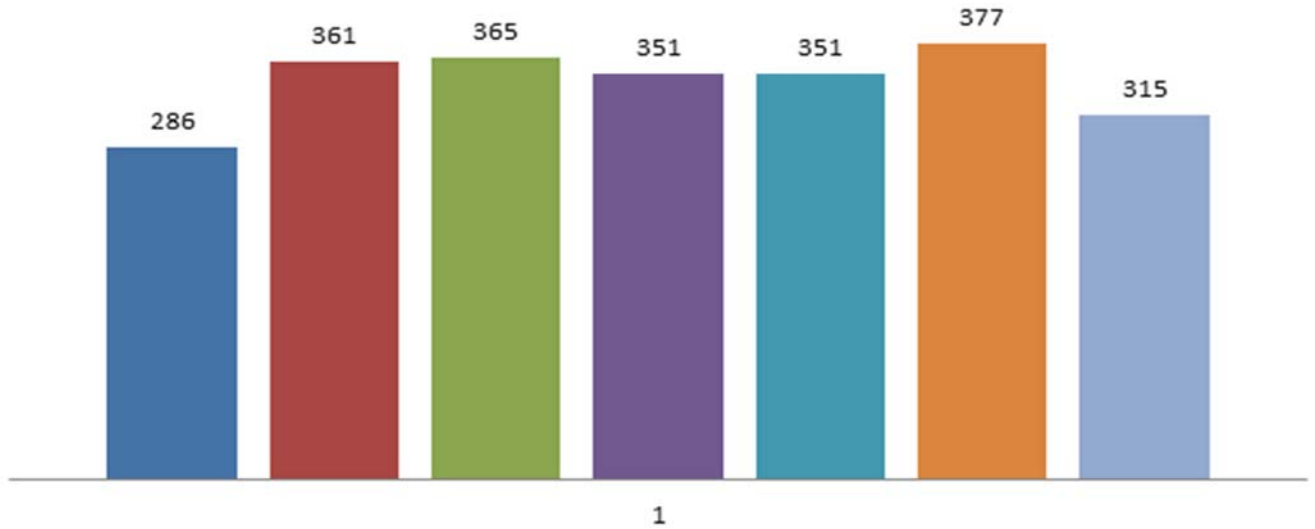

In 2017 officers were dispatched to 3105 CAD occurrences. 597 incidents were self-generated as part of the proactive officer initiatives in our community. This represents 3702 total number of calls and a ratio of 272 calls for service responded to by each officer and a civilian administrator for the year.
